

Honor Byron's Legacy By Supporting OBAP

In loving memory of our dearly departed Byron, whose passion for aerospace knew no bounds, we invite you to honor his legacy by contributing to the Organization of Black Aerospace Professionals.

Your donation will support aspiring students and young professionals pursuing opportunities in aviation and aerospace, a field that was close to Byron's heart. Your donation will not only commemorate his enduring love for aerospace, but also empower future generations of passionate individuals to soar to new heights. Your generosity will help keep his spirit alive and make a lasting difference in the lives of those who share his passion.

Make An Impact

\$100- Provides much needed operating funds to support all of our programs for youth and young professionals.

\$300- Covers the cost for a student to attend the OBAP Annual Conference for an opportunity to network and learn from aerospace professionals and their peers.

\$500- Allows a student to attend an OBAP Summer ACE Academy for a week-long immersive aerospace experience.

\$1,000- Supports a scholarship for students pursuing any aerospace-related training or education
